Dispatches from the OCCC Director's Desk

Where does the time go? Here we are, Halloween is upon us and Thanksgiving is coming up fast and although we may not be able to stop and smell many more flowers this year it can be a great time for some wonderful scents. From baked goods to warm scented candles it can be a great time to spend with family and friends experiencing all the beautiful things a Fall season in Western New York can offer. To help fill the days our towns have really put together some very festive events.

Starting with "Apple-icious" in Albion on Friday, November 6th, a neat little event put together by AMSA about all things apple. From cider to apple wine and apple trivia this is sure to be a hit. We close out the month with a plenty of activities in Medina, Saturday November 28th promises to be full day. The Olde Tyme Christmas Celebration starts early with the Holiday Hounds Parade and ends the evening with a glowing Parade of Lights. It just seems that a key to autumn fun is enjoying life out and about in our smaller communities.

A few quick notes:

The Chamber recently "AMBUSHED" a second business, Arnold's Auto Parts was presented the "We've been Ambushed" sign this past week in recognition of all they do. Whether it is adjusting his business to customer needs or donating time and money to downtown events, Dan DiCarlo really tries to go the extra mile. The Chamber says, "Thanks Dan".

For those of you who are currently receiving insurance through the Chamber and those of you considering it please note there is a open enrollment meeting discussing the new year on November 4th at 5:30pm in the Chamber's offices (102 N. Main St. Albion).
